Citizens of Kermit,

The City of Kermit applied for a reimbursable Federal Grant to help stimulate our local economy due to the effects of COVID-19. The City of Kermit is starting a new program "**KERMIT KASH**" That will run through December 15, 2020.

"How does this work?" The City of Kermit is enclosing *two (2)* **KERMIT KASH** cards that are valued at \$15.00 each. Along with the cards the City of Kermit is enclosing a list of all the local businesses that are participating.

Now what do we want you to do with these cards? **Go out and spend money in Kermit!!**  
**KERMIT KASH CARD** is a onetime use card. **NO CASH BACK WILL BE GIVEN/NO CREDIT BALANCE.**

The \$15.00(or \$30.00) will be applied towards your purchase and you will be responsible for the remaining balance. All participating businesses have been here for us, now is our turn to be there for them.

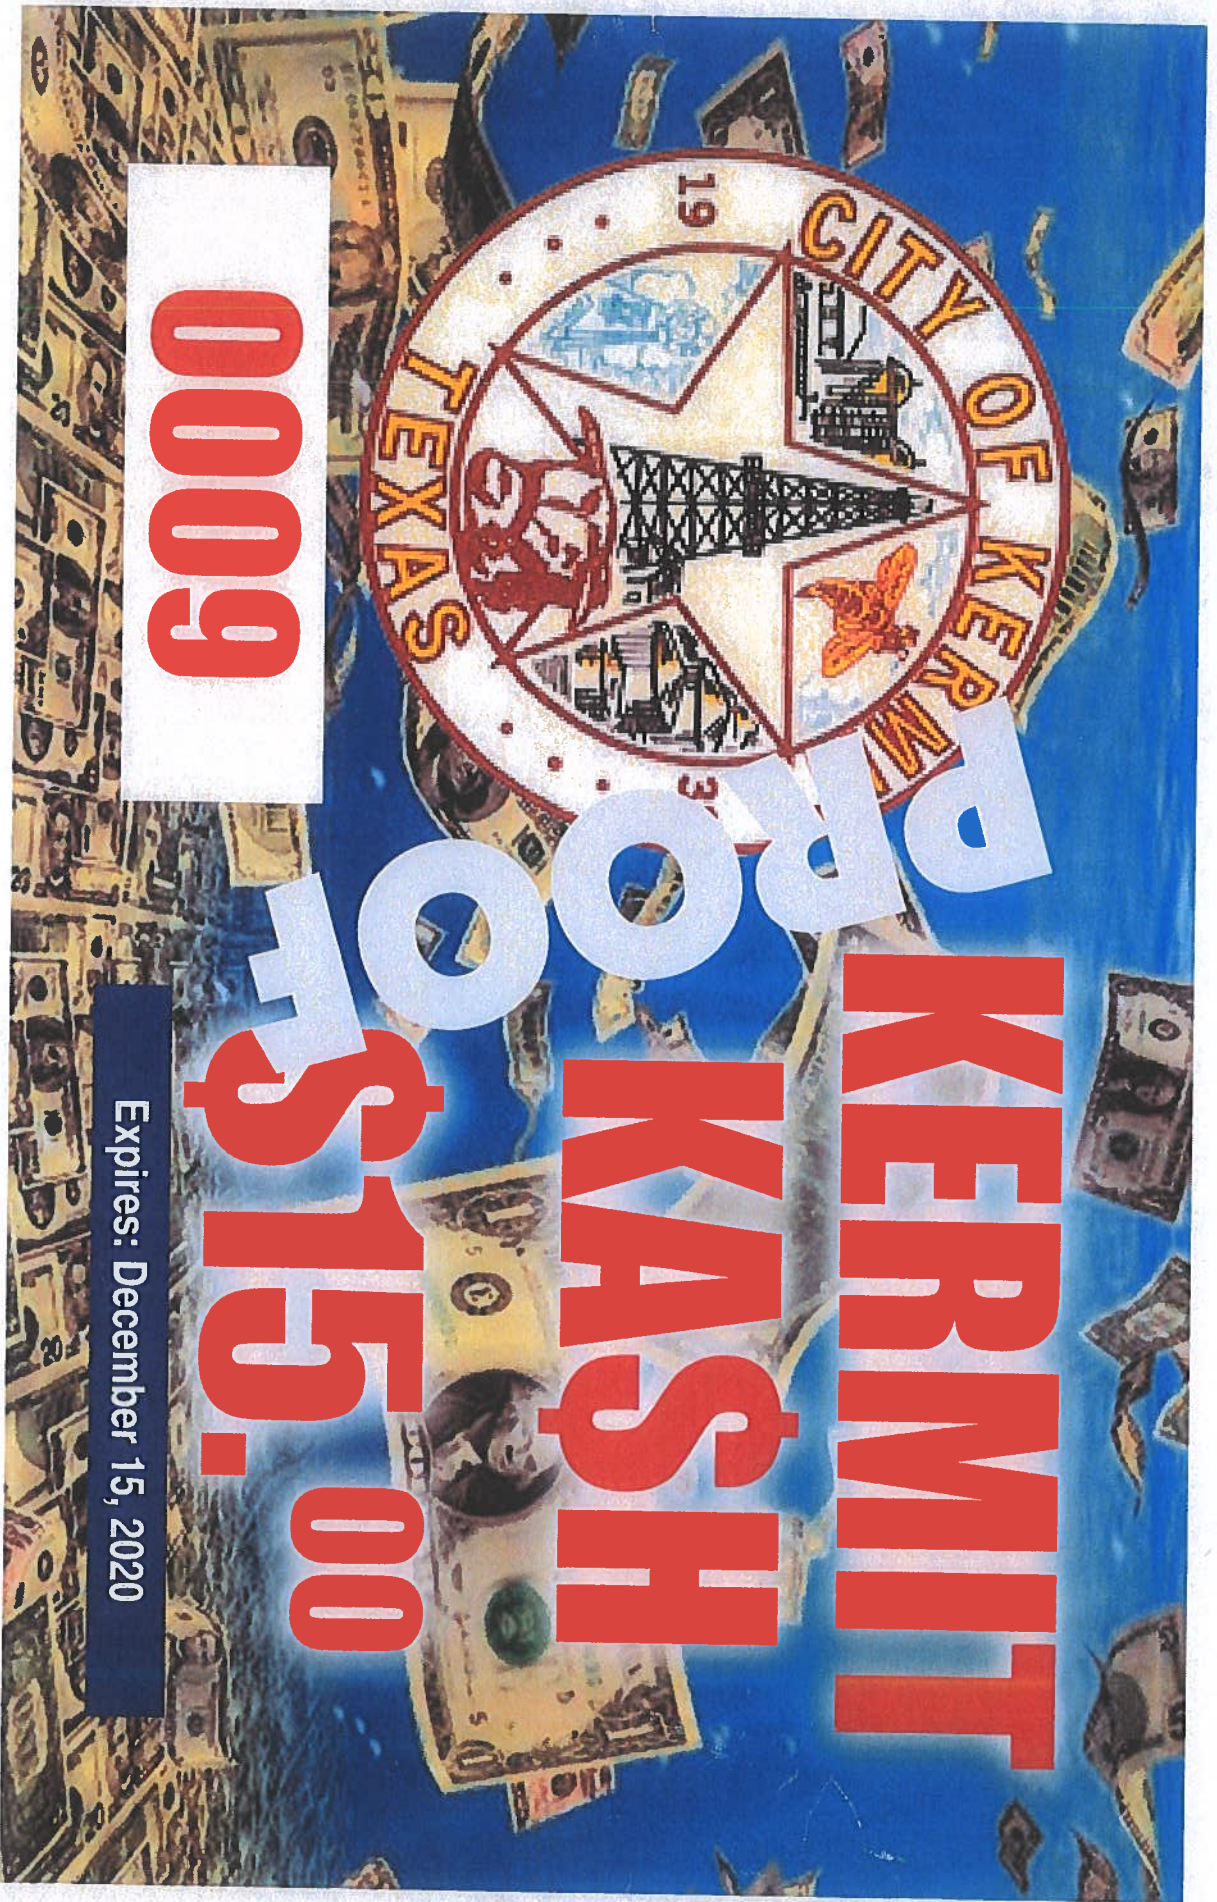

Here is your chance to try out our local restaurants, get your hair/nails done, send someone special flowers or a gift, or is there a cute piece of furniture you would like to add to your house? How about some auto supplies or lumber supplies you might need? Also how about getting some dry cleaning done while your out and about! Who doesn't need to get the oil changed or other mechanical issues taken care of? Or you can stop by our local meat market and shop. Do I smell a BBQ?

It has been a crazy year but we are still here, our local businesses are still here, now let's go out and show our businesses how we truly appreciate them.

Thank You,

Frankie Davis

Frankie Davis, City Manager
