

★ ENVISION ★ **KERMIT** Comprehensive Plan

The Planning Team for the City of Kermit Comprehensive Plan would like to invite you to the upcoming **Public Open House**.

What is the Comprehensive Plan

A plan that provides a vision for the future of Kermit with a focus on priorities, policies, and public investment through the next 20 years. Over the past 8 months, the city hosted a design studio, several stakeholder group meetings, engagement at the high school, and monthly steering committee meetings to ensure the plan reflects the goals and values of Kermit residents.

Purpose of the Open House

The open house is an opportunity to learn about the draft Comprehensive Plan from the planning team, city staff, and members of the steering committee. See what fellow stakeholders have been saying and get involved in planning the future of Kermit by offering your input and ideas and learning how you can help implement the plan.

Meeting Format

Drop in anytime that is convenient for your schedule. There will not be a formal presentation, but you can talk with the project team and stay 10 minutes or the full 2 hours. Visit envisionkermit.com for more details.
